New Your, June 11 .- It was a stifling day at Morris Park to-day, and the truck was as fast as lighting. In the All Breeze stakes the speciators were treated to a stirring finish between Stonenell and Roche, in which the former won by the shortest of heads in a hard drive. It is probable that Roche might have won if Midgoly had not bungled. An eighth of a mile from the finish Roche had Stonenell driving and could have taken the lead then, but the boy waited until it was too late, and although he was gaining rapidly on the Dwyer sprinter the distance was too

Dwyer sprinter the distance was too short by about ten feet, and he was beaten. Midgely was clearly out-riden, although he had the best horse.

W. B., a rank outsider, captured the second race from the favorites, Roller and will Fonso. In the third race St. Maxim was an odd-on favorite, and wan in a romp. When the stretch was reached Griffin tried to make a short cut on the inside with Atropine. As he did this the colt's leg broke short off at the pastern joint. The colt was a full brother to St. Leonards, and was shot soon after he was taken to the stable. In the last race Arab, the queer horse, wen easily from Tom Skidmore in 1:30, a new record for the track. Summaries:

BELLATRE.

All Sorts of Local Nows and Gossip from the Glass City.

There was considerable excitement in the Fifth ward at an early hour yesterday morning caused by a fusilate of stots in that neighborhood. A burglar effected an entrance to the residence of William A. Wise in the Gravel Hill cut sometime by zoing through a window. He went up stairs into the sleeping apartments and Mrs. Wise was aroused. She scroamed and the burglar took to his heels, but her screams awakened her husband and he fired at the retreating burglar. Officer Jacob Capito was in the vicinity and hearing the shothurried to the scene and saw the burglar running down atreet. He, too, opened fire upon him, but the burglar ran under the wagon shop of Ludwig & Co. just north of Indian run. The shooting brought out the mayor and marshai and a number of citizons who found Capite and Wise guarding the shooting brought out the mayor and went under the shop but there was no one there. The burglar had evidently slipped out the same place he went under the wagon shop while the men were guarding the other side and he got away. He secured nothing in Wise's house, and had a narrow escape in getting away without being shot.

Rev, Hugh S. Boyd wes duly installed as pastor of the United Presbyterian church in this city yesterday evening by the Wheeling Presbytery. The sermon was preached by lev. W. J. Coleman, of West Alexander, and the charge to the pastor was made by Rov. Dr. Grimes. Rev. J. H. Littell addressed the people, especially the congregation, and the large audience present enjoyed the impressive services. ent enjoyed the impressive services.

Quite a number from Bellaire besides the delegates will attend the Steuben-ville convention to-day. Strong efforts will be made to harmonize the Belmont county delegation and if there are suc-cessful Belmont will most likely capture the nominee for Congress. Whoever is named will be elected.

Rodofer Bros., who have been paying the men at their glass factory half cash and half paper, lifted the first instal-ment of the paper issued last Saturday, and there is a good feeling among the men over the receipt of the cash pro ly upon its being due.

Mr. and Mrs. R. A. McGregor left yesterday for Columbus to attend the commencement of the Ohlo State Uni-versity, where their son Howard grad-untes. He has been a favorite student for some time and has been assisting

one of the protessors for a year or two.

maker, died here, aged fifty-nine years, and will be buried to-day.

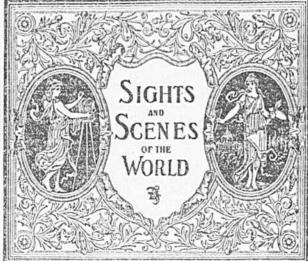

Charles J. Gill has returned from a trip for the Robinson Glass Co., and to-day he will move his family to the Butr's Mills camp ground.

Mrs. Harrier A. Marile, of Pough-keepsio, N. Y., was for years a martyr to headache, and never found anything to give her more than temporary relief until she began to take Ayer's Pills, since which she has been in the enjoy-ment of perfect health.
